

FACULTY POSITION ANNOUNCEMENT

Hokkaido University
Graduate School of Fisheries Sciences
Hakodate, Japan
October, 3, 2018

1. **Job description:**

Division of Marine Bioresource and Environmental Science, Laboratory of Marine Environment and Resource Sensing

Assistant Professor: Full-time, non-tenured, 5-year contract with the possibility of one 5-year extension (maximum of 10 years in total). Renewal of contract will be determined based on a review of teaching and research achievements after 5 years.

2. **Field:** Marine Environment and Resource Sensing

Members of the Laboratory of Marine Environment and Resource Sensing teach and conduct research on the exploration and evaluation of marine resources using various measurement methods such as satellite remote sensing, hydroacoustics, and quantitative sampling techniques, to contribute to sustainable use of marine resources. We are seeking candidates who can teach and conduct research on fishing and sampling gear technology and various measurement/observation techniques in fields concerning fishery resource conservation.

3. **Qualifications:** Applicants must have a doctoral degree and research achievements in a relevant field.

4. **Teaching responsibilities:**

- At the Graduate School of Fisheries Sciences: Teach master's and doctoral students enrolled in the Marine Environment and Resource Sensing course (lectures, laboratory work, seminars, exercises, etc.)
- At the School of Fisheries Sciences: Teach undergraduate students in the Department of Applied Marine Science (lectures, laboratory work, seminars, exercises (including shipboard training), etc.)
- General education: Teach undergraduate students introductory courses about fisheries science

5. **Start date:** February 1, 2019

6. **Probation period:** The probation period is three months.

7. **Salary:** The salary will be determined in accordance with the regulations of Hokkaido University.

8. **Working form:** Discretionary labor system for professional work

*The working hours for a day is deemed as 7 hours and 45 minutes.

9. **Benefits:** The Ministry of Education, Culture, Sports, Science and Technology Mutual Aid Association, Employees Pension, Workers' Accident Compensation Insurance and Employment Insurance

10. **Employer:** Hokkaido University

11. **Documents to be submitted** (any of the following may be submitted on a CD-ROM):

- (1) CV with a recent photo (CV must include the following: date of birth, nationality, address, phone, e-mail address, educational history from high school, degrees earned, dates degrees were received, title of doctoral thesis, work experience (please include any work as an appointed fellow, postdoctoral fellow, part-time instructor or short-term support staff at Hokkaido University after April 1, 2013 while not a student) honors/awards received, sanctions/punishments received).
- (2) List of publications: Please list all publications under the following categories: Papers, Symposium proceedings, Books, General remarks, Commentaries, and Other publications. Furthermore, refereed

papers and non-refereed papers should be listed separately

- (3) Summary of past research activities (approx. 1,000 words)
- (4) List of past teaching activities (*e.g.*, courses and laboratories taught, seminars and teaching exercises led, graduate students supervised, science outreach activities with the general public, etc.)
- (5) List of other achievements (*e.g.*, membership in academic societies, fieldwork conducted, external funds/grants received, plenary and invited lectures given, patents received, etc.)
- (6) Booklet containing one copy of each publication on the list of publications
- (7) Future teaching and research plan (approx. 1,000 words)
- (8) Self-assessment of applicant's ability to read, write, and speak Japanese
- (9) Names and contact information of two people who know you well

Applicants may be asked by the selection committee to submit additional documents.

12. **Application procedure:** All documents must be submitted by hand or by registered mail. Please write "*Application for Faculty Position (Laboratory of Marine Environment and Resource Sensing)*" in red ink on the front of the envelope. Submitted documents will not be returned to the applicant and will be used only for the purpose of this selection.
13. **Application deadline:** December, 4, 2018, 17:00 (Japan time)
*The deadline must be strictly observed.
14. **Contact person and address for application materials and inquiries:**
Prof. Yutaka WATANUKI
Faculty of Fisheries Sciences, Hokkaido University
3-1-1 Minato-cho, Hakodate 041-8611, Japan
Phone: +81-138-40-8862
E-mail: ywata@fish.hokudai.ac.jp
15. **Interview:** The selection committee may ask applicants to come to Hokkaido University (Hakodate, Japan) for an interview. If an interview is held, the applicant must cover all travel expenses.
16. **Other information:**
 - (1) Information about the Faculty of Fisheries Sciences: <http://www2.fish.hokudai.ac.jp/english-index>
 - (2) Current members of the Laboratory of Marine Environment and Resource Sensing (as of October, 2, 2018):
Professors: Yasuzumi FUJIMORI, Tohru MUKAI
Associate Professor: Toru HIRAWAKE
Assistant Professors: Hiroto ABE, Kohei HASEGAWA
 - (3) Working conditions follow the work rules set by Hokkaido University (<http://www2.fish.hokudai.ac.jp/wp/wp-content/uploads/2017/08/HU-Employment-Rules.pdf>)
 - (4) Hokkaido University's vision for the future is described in "*Future Strategy for the 150th Anniversary of Hokkaido University*" (http://www.hokudai.ac.jp/introduction/hokudai_kinmirai150.pdf)
 - (5) Hokkaido University actively promotes both education and research while fostering diverse human resources and gender-equality. We cordially invite woman and international applicants in this research field.
