7 Rules Pertaining to the Student Dormitories

HOKKAIDO UNIVERSITY STUDENT HOUSING REGULATIONS

(Purpose)

Article 1 These regulations stipulate the organization and management of Hokkaido University Student Housing (hereinafter referred to as "Student Dormitory") based on the provisions of Article 39, paragraph (2) of the RULES CONCERNING THE ORGANIZATION OF THE NATIONAL UNIVERSITY CORPORATION HOKKAIDO UNIVERSITY (HU Doc. No. 31 of 2004).

(Objective)

Article 2 The Student Dormitory was established with the goal of providing students (including international students; likewise below) of Hokkaido University (hereinafter referred to as "HU") a positive environment for student life to enhance learning.

(Student Dormitory)

Article 3 (1) Student Dormitories have been established by HU at the following locations:

- (i) For students in the Sapporo area, Keiteki-Ryo, Sosei-Ryo, and HU International House Kita 23, Building 2
- (ii) Hokushin-Ryo for students in the Hakodate area

(2) The Student Dormitory room classifications and capacity for each are as stipulated in Appended Table 1.

(Management Representative)

Article 4 The management representative of Student Dormitories in the Sapporo area shall be a vice-president of HU appointed by the President. The management representative of the Student Dormitory in the Hakodate area shall be the Dean of the Graduate School of Fisheries Sciences.

(Deliberations on Management and Operations)

Article 5 With respect to basic policies governing the management and operation of Student Dormitories for matters pertaining to Keiteki-Ryo and Sosei-Ryo, deliberations will be conducted by the Students' Committee, and for matters pertaining to HU International House Kita 23, Building 2, deliberations will be conducted by the Students' Committee and the Steering Committee of the Office of International Affairs.

(Application for Admission to the Student Dormitory)

Article 6 Students (including persons having passed the entrance exam; likewise in Article 8) wishing to be admitted to a Student Dormitory shall petition the management representative by providing the designated application and related documents.

(Selection and Permission for Residence)

Article 7 (1) Selection of residents will be screened by the management representative in accordance with the HOKKAIDO UNIVERSITY STUDENT HOUSING SELECTION STANDARDS stipulated separately.

(2) Permission of residence will be granted by the management representative based on the selection results of the preceding paragraph.

(Admission Procedures and Residence Permit Revocation)

Article 8 (1) The RESIDENT'S PLEDGE and NOTIFICATION OF RESIDENCE must be submitted to the management representative by the prescribed date.

(2) If a student who has received permission to reside in the Student Dormitory neglects, without legitimate cause, to undertake the procedure of the previous item by the designated time, or if false statements are present on the related Student Dormitory application forms, as stipulated in Article 6, the management representative and operations may rescind permission to reside at the Student Dormitory.

(Admission Period)

Article 9 Students are admitted to the Student Dormitories at the start of the school year. However, if there is a vacancy, students may be admitted in the middle of the school year.

(Period of Residence)

Article 10 The authorized period of residence shall be in accordance with the classifications given in each of the items below, and shall correspond to the period specified therein. However, these periods may be extended under special

circumstances.

- (i) Student Dormitory in the Sapporo area
 - (a) For Japanese students, no more than the minimum number of years required for graduation
 - (b) For international students, no more than one year
- (ii) For students in the Student Dormitory in the Hakodate area, no more than the minimum number of years required for graduation

(Rent)

Article 11 (1) Students granted residency to a Student Dormitory (hereinafter referred to as the "resident") shall pay rent by the specified due date every month as prescribed in Appended Table 1.

(2) Regardless if a resident moves in or out of a Student Dormitory anytime during the month, a full month's rent must still be paid.

(3) Notwithstanding the provisions of the preceding paragraph, for HU International House Kita 23, Building 2, the rent for the month a resident moves in or out anytime during the month shall be the amount obtained by multiplying the number of days the resident stayed in the Student Dormitory on the said month against the daily amount listed in the daily rate amount column for rent in Appended Table 1 corresponding to the period of time the student stayed in the Student Dormitory. In such cases, the day that the student moved in or out of the Student Dormitory will each be counted as one day of residence.

(4) Paid rent is non-refundable.

(5) Exemption from paying rent may be made for residents who, for legitimate reasons, are having trouble making payments in accordance with provisions stipulated separately.

(Parking Lot)

Article 11.2 (1) A parking lot is provided at the Hokushin-Ryo for residents' use.

(2) Residents wishing to use the parking lot must complete the designated application form and submit it to the management representative to receive approval.

(3) If a resident who has been using the parking lot will no longer be using it, they must notify the management representative in advance.

(4) Residents who have received permission to use the parking lot must pay HU a monthly 3,300 yen parking fee by the specified due date each month.

(5) Regardless of whether the date the resident begins to use or ceases to use the parking lot in the middle of the month, a full month's fee is due.

(6) Paid fees are non-refundable.

(Utility Fees)

Article 12 (1) Utility fees for the Student Dormitory shall be borne by the residents.

(2) Expenditures regarded by HU as necessary for operation and management of the Student Dormitory shall be borne by HU.

(3) The allocation of fees in the preceding two paragraphs shall be as stipulated in Appended Table 2.

(4) Fees to be borne by the resident must be paid to HU by the specified due date each month.

(Obligation of Maintenance of Facilities)

Article 13 Residents shall at all times maintain and preserve in good condition the facilities, equipment, and fixtures of the Student Dormitory and abide by the conditions set forth below:

- (i) Residents shall not to work on facilities, equipment, or fixtures or use them for purposes other than those they are intended without the permission of the management representative.
- (ii) If a resident destroys, damages, or dirties a facility, device, or fixture either intentionally or by accident, they shall make reparations for the expense needed to return that item to its original condition.
- (iii) Residents shall abide by instructions from the management representative concerning the prevention of fire and theft as well as other matters deemed necessary for the management and operation of the Student Dormitory.
- (iv) Residents shall, in the event of, or suspicion of an outbreak of an infectious disease (an infectious disease as stipulated in Article 18 of the SCHOOL HEALTH AND SAFETY LAW ENFORCEMENT ACT (Ordinance of the Ministry of Education No. 18, 1958)), promptly notify the management representative.

(Vacate Procedures)

Article 14 Residents who have decided to move out of the Student Dormitory shall submit a NOTIFICATION TO VACATE form by the specified date to the management representative.

(Notice of Eviction)

Article 15 (1) Should any of the following conditions apply, the management representative may expel a resident from the Student Dormitory.

- (i) When status as a student of HU is lost.
- (ii) When residency has exceeded the term limit stipulated in Article 10.
- (iii) When the resident has neglected to pay expenses such as rent, parking fees, or utility fees, and is three months or more in arrears.

(2) Should any of the following apply, the resident may be expelled by the management representative.

- (i) When the student has gone on an extended leave of absence from school.
- (ii) When the student has been suspended from school for a period of 3 months or more.
- (iii) When a doctor has deemed the student unfit for communal living on account of an illness or other reasons pertaining to health and hygiene.
- (iv) When the resident is a disturbance to public order, or is deemed to have engaged in behavior that disturbs other residents.
- (v) When the resident has violated other regulations, and engaged in behavior that presents a major hindrance to management and operation of the Student Dormitory.

(Inspection at Time of Departure)

Article 16 When a resident moves out or moves into another room, the equipment and fixtures belonging to the room shall be inspected as instructed by the management representative.

(Prohibition against Overnight Visitors)

Article 17 Persons other than residents are prohibited from staying overnight in the Student Dormitory.

(Proxy)
