

**Important**

## **Regarding the Submission Method for TOEFL iBT Score Reports**

For the entrance examinations to the Master's Program (General Admission and International Student Admission) and the Doctoral Program (General Admission and International Student Admission) of the Graduate School of Fisheries Sciences, Hokkaido University, submission of a TOEIC L&R or TOEFL iBT score during the application period is mandatory.

Please note that the method for submitting TOEFL iBT score reports will change starting with the entrance examinations scheduled to be conducted in August 2026.

### **[Changes]**

Applicants must submit their score by one of the following methods:

(1) Submit the Test Taker Score Report (the examinee's copy) sent to the applicant by ETS in the United States. (Printouts of test results from the web screen will not be accepted.)

(2) Download the PDF version of the Test Taker Score Report from My TOEFL Home, print it in color, and submit it. In addition, select the DI code below in My TOEFL Home and have the score sent online to the Graduate School.

DI code: G313 (Hokkaido University Graduate School of Fisheries Sciences)
